

WILLARD
INTERCONTINENTAL[®]
WASHINGTON D.C.

or 150 years, the Willard InterContinental has been an integral part of Washington society. Our turn-of-the-century Crystal Room is the preferred site for glittering galas, receptions and noteworthy events. The Ballroom, with its magnificent crystal chandeliers, high ceiling and murals, is another grand setting for meetings and social events. A large pre-function area, connected to the Ballroom, provides for guest registration, pre-dinner drinks and mingling during intermissions.
